CHATSWORTH, CA. (February 20, 2015) – A Southern California tradition continues with the Classic Chevys of Southern California Club’s announcement that their 33<sup>rd</sup> annual Classic Car Show will take place Sunday May 3, 2015 from 7:30am-3:00pm. Held at the Rancho San Antonio Boys Town in Chatsworth, California as part of a Boys Town community open house event, proceeds from the car show and its various raffles benefit the Boys Town organization.

Open to the public, more than 325 cars ranging from the 1930’s to the classics and hot rods of the 50’s, 60’s and 70’s will be on display. Also featured will be their signature barbecue lunches and vendor spaces featuring a broad selection of merchandise. Opening ceremonies will include City Councilman Mitch Englander representing the City of Los Angeles, a color guard salute, and group singing of the National Anthem.

The car judging and awards portion of the show will feature Southern California car culture icon and KABC-Radio on-air personality Leon “Motorman” Kaplan presenting his best-of-show “Motorman Award.”

“Last year was our biggest show ever, and this year is shaping up to be even better,” said Jim Stevens, Club President. “It’s all a part of our continuing efforts to raise donations to support the wonderful work Rancho San Antonio Boys Town is doing to help troubled teenage boys and give them the skills and values they need to rejoin their families and our community. We take pride in our car show being a fun family event full of good friends, great barbecue and beautiful cars. And this year we’re especially pleased to have returning to support the show City Councilman Mitch Englander and the one and only Leon Kaplan who’s Motorman Show on KABC-Radio has been educating and entertaining listeners for over 30 years.”

#### **ABOUT THE CLASSIC CHEVYS OF SOUTHERN CALIFORNIA CLUB**

In 1975, a group of Southern California-based '55, '56 and '57 Chevy lovers got together and formed The Classic Chevys of Southern California club. Members spanned from all over the greater Southland – from Los Angeles, Duarte, El Monte, Bellflower, Downey, Torrance, Wilmington, Santa Ana, Santa Barbara, Garden Grove, and Palmdale to Long Beach. Today the club continues to have membership from a broad selection of Southern California. Each year, the Classic Chevys of Southern California actively participates in community events and parades like the Christmas Motor-4-Tots toy drive and Springtime classic car show with profits from the show and its raffles (raffle prizes donated by local businesses) going directly to the Rancho San Antonio Boys Town organization that provides a wonderful and successful outreach program for troubled boys ages 13-18. After 40 years of existence, the club members remain passionate to their commitment – Community, Friendship, Fun .... And CHEVYS!
